**General Terms:** At first visit, Grooming customers must complete General Release form. Completed? [ ] \_\_\_\_\_ Employee Initials  
**Shave Down Authorization:** Shave Down Authorization is given in the event that, after a thorough evaluation of your pet's coat, the grooming staff determines that a shave down is the best recourse for grooming your pet. This decision is made based on the stress and discomfort it would cause your pet if we were to attempt to brush or groom their coat. During a shave down, even with special care given to safety, it is possible for your pet to be nicked or cut or get razor burn. Your signature acknowledges that you are aware of the risks, releases Soggy Dog Salon & Suites from any responsibility for any trauma to the pet as a result of the shave down and authorizes a shave down if it is deemed necessary by the grooming staff.

- [ ] This authorization is for current visit only. \_\_\_\_\_ (Initial)
- [ ] This authorization is on-going, until I request in writing that it be cancelled. \_\_\_\_\_ (Initial)
- [ ] Please call me for an approval prior to any shave down. \_\_\_\_\_ (Initial)

I hereby agree to the foregoing as the owner of the aforementioned pet.
